

NEAR BARNET.—GALLEY LANE

Dear Kathleen, The Oaks, Nov. 30th /05.

Cowling's Series

Thank you for your post-card. So glad the Princess asked you to play again. Did you see your portrait in the Daily News? We are pleased to hear that you have plenty of engagements. I send you another view of our lane which I am glad you liked. Yes, it is a very beautiful lane, especially in summer. This picture is very badly stained. The view is good. Thank you for your kind messages. We send you both our love and affection. Yours affectionately A. J. Hall.
